

## CAMPING AT HARTWELL LAKE

At Hartwell Lake, one of our most popular outdoor recreation activities is camping. The U.S. Army Corps of Engineers manages 9 campgrounds at Hartwell Lake and has over 500 campsites. Many campgrounds feature restrooms, shower houses, playgrounds, boat ramps, and electric and water hook-ups. All Corps campgrounds, except Crescent and Georgia River, feature resident campground hosts who register incoming campers and ensure the campground is operated to provide the safest, most enjoyable experience for all visitors. Because camping at Hartwell Lake is so popular, reservations are recommended. For detailed campground information including facility descriptions and campground maps, visit us on the web at [www.sas.usace.army.mil/lakes/hartwell](http://www.sas.usace.army.mil/lakes/hartwell).
